

CIGARETTES

WITH EXTRA ADDICTION

Makes 10-15 cigarettes.

Preparation Time - 10 Min.

Cooking Time - 30 Min.

Ingredients

Tobacco, finely chopped	1 cup
Nicotine, grounded	1 ounce
Arsenic	1 tsp
Carbon Monoxide	1/2 tsp
Nickel	A small piece
Lead, diced	2 tsp
Hydrogen Cyanide	1 tbsp
Ammonia	1/4 tsp
Methanol	A pinch
Any Paper that burns	

For The Paste

A little bit of Tar, Carbon Dioxid, Nitrogen Oxides, Formic Acid, Acetic Acid, Cholesterol, Zinc and any other acids you would like to add.

Tip - You don't need to clean any fresh ingredients.

Directions

- 1) In a pan add all the ingredients forthe paste. Mix them well on a slow flame. Cover and simmer on low for 10-15 mins., or until thick. Let it cool down.
- 2) In a large pan add all the ingredients and mix well. To this you now add the paste and blend well.
- 3) Take the paper and place the paper on a flat surface. Spread the tobacco on the paper evenly. Stick the edges with any non-edible glue. Cut into 3" long rolls.

Your Cigarettes are ready to smoke (and kill).
